

**REMARKS**

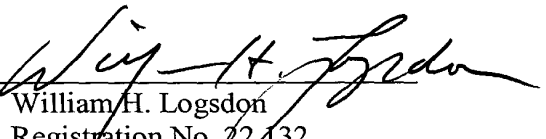

This Amendment amends the "Cross-Reference" section to refer to the parent application and also cancels claims 9, 16, 17, 19, and 20. Claims 1-8, 10-15, and 18 remain in this application.

This application is a divisional of U.S. Patent Application Serial No. 09/875,278. An Election/Restriction Requirement was issued in the parent case between Species A (Figs. 1 and 2) and Species B (Figs. 3 and 4). Species A was elected in the parent case. This divisional application is being filed to pursue Species B.

As set forth in the Election Without Traverse dated October 21, 2002 in the parent application, claims 11, 12, and 18 are directed specifically towards Species B and claims 1-8, 10, and 13-15 are believed to be generic to both Species. Therefore, claims 1-8, 10-15, and 18 remain in this application. Examination and allowance of these claims are respectfully requested.

Respectfully submitted,  
WEBB ZIESENHEIM LOGSDON
